

Spring 1 2026 — Marvellous Mapping

Drivers and Values

Curriculum Drivers

Confident Communicator

Widening Horizons

Growth Mindset

Healthy Body, Healthy Mind

School Values

Ready, Respectful, Safe

BRITISH VALUES

Mutual Respect and tolerance

Showing respect for ourselves and others and expecting it in return

Individual Liberty

Making choices and knowing, understanding and exercising rights and personal freedoms in a safe and supportive space

National Curriculum

As Writers, we will be writing our own non-chronological reports based on dolphins.

As Readers, we will continue to read our Little Wandle books to develop our decoding and comprehension skills.

As Mathematicians, we will develop our understanding of addition and subtraction and place value. We will use the White Rose planning and mastery approach to build on our problem-solving and reasoning skills. In addition to this, we will develop our fluency skills through using 'Mastering Number'.

As Scientists, we will be learning all about living things and their habitats through outdoor learning and fun and engaging experiments.

As Geographers we will be learning all about maps. The children will develop their knowledge of human and physical features by looking at urban, coastal and mountainous areas.

As Artists, we will be creating landscape artwork, which will be inspired by Katsushika Hokusai and John Ndambo.

As Musicians, we will be using Music Express and exploring travel.

In P.E, we will be learning through dance.

In Computing, we will be studying programming and creating animations

In R.E, we will be exploring, 'Who is a Muslim and how do they live?'

In PHSE, we will be exploring 'dreams and goals'.

In Outdoor Learning we will be participating in teambuilding activities in the forest school area, supporting children's social and emotional skills and encourage safe risk taking.
