

Bishop's Castle Primary School

Personal, Social, Health Education and Relationships Sex and Health

Name of school: Bishop's Castle Primary School

Date of policy: October 2025

Last reviewed: September 2026

Member of staff responsible: Miss Katie Froggatt

Review date: September 2027

Context

All schools must provide a curriculum that is broadly based, balanced and meets the needs of all pupils. Under section 78 of the Education Act 2002 and the Academies Act 2010, a PSHE curriculum:

- Promotes the spiritual, moral, cultural, mental and physical development of pupils at the school and of society, and
- Prepares pupils at the school for the opportunities, responsibilities and experiences of later life.

This policy meets the requirements that schools publish a Relationships and Sex Education policy and does this within the wider context of Personal, Social and Health Education.

PSHE

At Bishop's Castle Primary School, we teach Personal, Social, Health Education as a whole-school approach to underpin children's development as people and because we believe that this also supports their learning capacity.

The Jigsaw Programme offers us a comprehensive, carefully thought-through Scheme of Work which brings consistency and progression to our children's learning in this vital curriculum area. The overview of the programme can be seen on the school website.

This also supports the "Personal Development" and "Behaviour and Attitude" aspects evaluated under the Ofsted Inspection Framework, as well as significantly contributing to the school's Safeguarding and Equality Duties, the Government's British Values agenda and the SMSC (Spiritual, Moral, Social, Cultural) development opportunities provided for our children.

Statutory Relationships and Health Education

"The Relationships Education, Relationships and Sex Education and Health Education (England) Regulations 2019, made under sections 34 and 35 of the Children and Social Work Act 2017, make Relationships Education compulsory for all pupils receiving primary education. They also make Health Education compulsory in all schools except independent schools. Personal, Social, Health and Economic Education (PSHE) continues to be compulsory in independent schools."

DfE Guidance p.8

Here, at Bishop's Castle Primary School we value PSHE as one way to support children's development as human beings, to enable them to understand and respect who they are, to empower them with a voice and to equip them for life and learning.

We include the statutory Relationships and Health Education within our whole-school PSHE Programme.

To ensure progression and a spiral curriculum, we use Jigsaw, the mindful approach to PSHE, as our chosen teaching and learning programme and tailor it to children's needs. The mapping document: [Jigsaw 3-11 and statutory Relationships and Health Education, jigsaw-3-11-and-rshe-overview-map.pdf \(windows.net\)](#), shows exactly how Jigsaw and therefore our school, meets the statutory Relationships and Health Education requirements.

This programme's complimentary update policy ensures we are always using the most up to date teaching materials and that our teachers are well-supported.

Our PSHE policy is informed by existing DfE guidance:

- Keeping Children Safe in Education (statutory guidance) [Keeping children safe in education - GOV.UK \(www.gov.uk\)](#)
- Respectful School Communities: Self Review and Signposting Tool (a tool to support a whole school approach that promotes respect and discipline) [Respectful School Communities Self-Review and Signposting Tool \(educateagainsthate.com\)](#)
- Behaviour and Discipline in Schools (advice for schools, including advice for appropriate behaviour between pupils) [Behaviour in schools - GOV.UK \(www.gov.uk\)](#)
- Equality Act 2010 and schools [Equality Act 2010: advice for schools - GOV.UK \(www.gov.uk\)](#)
- SEND code of practice: 0 to 25 years (statutory guidance) [SEND code of practice: 0 to 25 years - GOV.UK \(www.gov.uk\)](#)
- Alternative Provision (statutory guidance) [Alternative provision - GOV.UK \(www.gov.uk\)](#)
- Mental Health and Behaviour in Schools (advice for schools) [Mental health and behaviour in schools - GOV.UK \(www.gov.uk\)](#)
- Social, emotional and mental wellbeing in primary and secondary education. (NICE guidance) [Overview | Social, emotional and mental wellbeing in primary and secondary education | Guidance | NICE](#)

- Preventing and Tackling Bullying (advice for schools, including advice on cyberbullying) [Preventing bullying - GOV.UK \(www.gov.uk\)](#)
- The Equality and Human Rights Commission Advice and Guidance (provides advice on avoiding discrimination in a variety of educational contexts) [Advice and guidance | Equality and Human Rights Commission \(equalityhumanrights.com\)](#)
- Promoting Fundamental British Values as part of SMSC in schools (guidance for maintained schools on promoting basic important British values as part of pupils' spiritual, moral, social and cultural (SMSC) [Promoting fundamental British values through SMSC - GOV.UK \(www.gov.uk\)](#)
- SMSC requirements for independent schools (guidance for independent schools on how they should support pupils' spiritual, moral, social and cultural development). [Regulating independent schools - GOV.UK \(www.gov.uk\)](#)

The Jigsaw Programme is aligned to the PSHE Association Programmes of Study for PSHE. [pshe-association-programme-of-study-2020-map.pdf](https://www.pshe-association.org.uk/programmes-of-study/2020-map)

Aim of the Jigsaw PSHE policy:

To provide pupils with the knowledge, understanding, attitudes, values and skills they need in order to reach their potential as individuals and within the community. Pupils are encouraged to take part in a wide range of activities and experiences across and beyond the curriculum, contributing fully to the life of their school and communities. In doing so they learn to recognise their own worth, work well with others and become increasingly responsible for their own learning. They reflect on their experiences and understand how they are developing personally and socially, tackling many of the spiritual, moral, social and cultural issues that are part of growing up. They learn to understand and respect our common humanity; diversity and differences so that they can go on to form the effective, fulfilling relationships that are an essential part of life and learning. In our school we choose to deliver Personal, Social, Health Education using Jigsaw, the mindful approach to PSHE.

Objectives/Pupil learning intentions:

Jigsaw PSHE will support the development of the skills, attitudes, values and behaviour, which enable pupils to:

- Have a sense of purpose
- Value self and others
- Form relationships
- Make and act on informed decisions
- Communicate effectively
- Work with others
- Respond to challenge
- Be an active partner in their own learning
- Be active citizens within the local community
- Explore issues related to living in a democratic society
- Become healthy and fulfilled individuals

What do we teach when?

Whole-school approach

Jigsaw covers all areas of PSHE for the primary phase including statutory Relationships and Health Education. The table below gives the learning theme of each of the six Puzzles (units) and these are taught across the school; the learning deepens and broadens every year.

Term	Puzzle (Unit)	Content
Autumn 1:	Being Me in My World	Includes understanding my own identity and how I fit well in the class, school and global community. Jigsaw Charter established.

Autumn 2:	Celebrating Difference	Includes anti-bullying (cyber and homophobic bullying included) and understanding
Spring 1:	Dreams and Goals	Includes goal setting, aspirations, who do I want to become and what would I like to do for work and to contribute to society
Spring 2:	Healthy Me	Includes drugs and alcohol education, self-esteem and confidence as well as healthy lifestyle choices, sleep, nutrition, rest and exercise
Summer 1:	Relationships	Includes understanding friendship, family and other relationships, conflict resolution and communication skills, bereavement and loss
Summer 2:	Changing Me	Includes Relationships and Sex Education in the context of coping positively with change

At Bishop's Castle Primary School, we teach PSHE weekly in order to teach the knowledge and skills in a developmental and age-appropriate way.

These explicit lessons are reinforced and enhanced in many ways:

Assemblies, praise and reward system, Learning Charter, through relationships child to child, adult to child and adult to adult across the school. We aim to 'live' what is learnt and apply it to everyday situations in the school community.

Relationships Education

From September 2020, Relationships Education is compulsory for all primary schools as set out in the DfE Guidance (2019). For all maintained schools there is also a statutory duty to provide Health Education. This includes primary aged children learning about the 'changing adolescent body', included in the expected outcomes for primary Health Education. (Relationships Education, Relationships and Sex Education, and Health Education, DfE, 2019).

It is compulsory for all maintained schools to teach the parts of sex education that fall under National Curriculum Science which must be taught to all pupils of primary and secondary age e.g. the biological aspects of puberty and reproduction (Education Act 1996, National Curriculum 2014).

What does the DfE statutory guidance on Relationships Education expect children to know by the time they leave primary school?

Relationships Education in primary schools will cover 'Families and people who care for me', 'Caring friendships', 'Respectful relationships', 'Online relationships', and 'Being safe'.

The expected outcomes for each of these elements can be found further on in this policy. The way the Jigsaw Programme covers these is explained in the mapping document: Jigsaw 3-11 and Statutory Relationships and Health Education.

It is important to explain that whilst the Relationships Puzzle (unit) in Jigsaw covers most of the statutory Relationships Education, some of the outcomes are also taught elsewhere in Jigsaw e.g. the Celebrating Difference Puzzle helps children appreciate that there are many types of family

composition and that each is important to the children involved. This holistic approach ensures the learning is reinforced through the year and across the curriculum.

Health Education

What does the DfE statutory guidance on Health Education expect children to know by the time they leave primary school?

Health Education in primary schools will cover 'Mental wellbeing', 'Internet safety and harms', 'Physical health and fitness', 'Healthy eating', 'Drugs, alcohol and tobacco', 'Health and prevention', 'Basic First Aid', 'Changing adolescent body'.

The expected outcomes for each of these elements can be found further on in this policy. The way the Jigsaw Programme covers these is explained in the mapping document: Jigsaw 3-11 and Statutory Relationships and Health Education.

It is important to explain that whilst the Healthy Me Puzzle (unit) in Jigsaw covers most of the statutory Health Education, some of the outcomes are taught elsewhere in Jigsaw e.g. emotional and mental health is nurtured every lesson through the Calm me time, social skills are grown every lesson through the Connect us activity and respect is enhanced through the use of the Jigsaw Charter.

Also, teaching children about puberty is now a statutory requirement which sits within the Health Education part of the DfE guidance within the 'Changing adolescent body' strand, and in Jigsaw this is taught as part of the Changing Me Puzzle (unit).

Again, the mapping document transparently shows how the Jigsaw whole-school approach spirals the learning and meets all statutory requirements and more.

Sex Education

The DfE Guidance 2019 (p.23) recommends that all primary schools 'have a sex education programme tailored to the age and the physical and emotional maturity of the pupils.

However, 'Sex Education is not compulsory in primary schools'. (p. 23)

Parents' right to request their child be excused from Sex Education

"Parents have the right to request that their child be withdrawn from some or all of sex education delivered as part of statutory Relationships and Sex Education" DfE Guidance p.17

At Bishop's Castle Primary School, puberty is taught as a statutory requirement of Health Education and covered by our Jigsaw PSHE Programme in the 'Changing Me' Puzzle (unit). We conclude that sex education refers to Human Reproduction, and therefore inform parents of their right to request their child be withdrawn from the PSHE lessons that explicitly teach this i.e. the Jigsaw Changing Me Puzzle (unit) e.g.

Year 4, Lesson 2 (Having a baby)

Year 5, Lesson 4 (Conception)

Year 6, Lesson 3 (Conception, birth)

The school will inform parents of this right by email before this term this is taught.

Girl's understanding of sanitary products and disposal in school

As part of lessons on puberty girls will be made aware of the procedures in place for accessing and the safe disposal of sanitary products. The school is aware that period poverty can be an issue for some pupils and will to the best of its ability ensure that girls have access to appropriate sanitary products during school time.

Monitoring and Review

The governing body monitors this policy on an annual basis. Bishop's Castle Primary School also gives serious consideration to any comments from parents about the PSHE (RSHE) programme and makes a record of all such comments. Governors scrutinise and ratify teaching materials to check they are in accordance with the school's ethos.

The role of the Headteacher and Governing body

It is the responsibility of the Governors to ensure that as well as fulfilling their legal obligations, the governing boards or management committee should also make sure that:

- all pupils make progress in achieving the expected educational outcomes in regard to RSHE;
- RSHE is well led, effectively managed and well planned;
- the quality of RSHE provision is subject to regular and effective self-evaluation;
- teaching is delivered in ways that are accessible to all pupils with SEND;
- clear information is provided for parents on the subject content and the right to request that their child is withdrawn; and,
- the subjects are resourced, staffed and timetabled in a way that ensures that the school can fulfil its legal obligations

The headteacher liaises with external agencies regarding the school RSHE programme and ensures that all adults who work with children on these issues are aware of the school policy, and that they work within this framework. The headteacher monitors this policy on a regular basis and reports to governors, when requested, on the effectiveness of the policy. Parents should be consulted on the RSE policy and have the opportunity to express their views. They also must be informed of the limits of their right to withdraw their child from sex education and have the opportunity to do so within these limits.

Equality

This policy will inform the school's Equalities Plan.

The DfE Guidance 2019 (p. 15) states, "Schools should ensure that the needs of all pupils are appropriately met, and that all pupils understand the importance of equality and respect. Schools must ensure they comply with the relevant provisions of the Equality Act 2010 under which sexual orientation and gender reassignment are amongst the protected characteristics...

At the point at which schools consider it appropriate to teach their pupils about LGBT (Lesbian, Gay, Bisexual, Transgender), they should ensure this content is fully integrated into their programmes of study for this area of the curriculum rather than delivered as a stand-alone unit or lesson. Schools are free to determine how they do this, and we expect all pupils to have been taught LGBT content at a timely point as part of this area of the curriculum".

At Bishop's Castle Primary School we promote respect for all and value every individual child. We also respect the right of our children, their families and our staff, to hold beliefs, religious or otherwise, and understand that sometimes these may be in tension with our approach to some aspects of Relationships, Health and Sex Education.

For further explanation as to how we approach LGBT relationships in the PSHE (RSHE) Programme please see: 'Including and valuing all children. What does Jigsaw teach about LGBTQ relationships?'

Safeguarding

Teachers need to be aware that sometimes disclosures may be made during Jigsaw lessons; in which case, safeguarding procedures must be followed immediately. Sometimes it is clear that certain children may need time to talk one-to-one after the lesson closes. It is important to allow the time and appropriate staffing for this to happen. If disclosures occur, the school's disclosure and/or confidentiality policy is followed.

Assessment

Each Puzzle (unit of work) has a built-in assessment task, usually in Lesson (Piece) 6. This task is the formal opportunity for teacher assessment, but also offers children the chance to assess their own learning and have a conversation with the teacher about their two opinions. In addition, as part of the Help Me Reflect section of every Jigsaw lesson, children can complete a self/peer assessment using the My Jigsaw Journey/Learning resource that accompanies each lesson.

Monitoring and evaluation

The PSHE co-ordinator will monitor delivery of the programme through observation and discussion with teaching staff to ensure consistent and coherent curriculum provision. Evaluation of the programme's effectiveness will be conducted on the basis of:

- Pupil and teacher evaluation of the content and learning processes
- Staff meetings to review and share experience

External contributors

External contributors from the community, e.g. health promotion specialists, school nurses, social workers, and community police and fire officers, make a valuable contribution to the Jigsaw PSHE programme. Their input will be carefully planned and monitored so as to fit into and complement the programme. Teachers MUST always be present during these sessions and remain responsible for the delivery of the Jigsaw PSHE programme.

The Learning Environment

Establishing a safe, open and positive learning environment based on trusting relationships between all members of the class, adults and children alike, is vital. Issues that staff may find sensitive are discussed in CPD sessions with staff to give them support, if needed, before teaching it.

To enable this, it is important that 'ground rules' are agreed and owned at the beginning of the year and are reinforced in every Piece (lesson) – by using The Jigsaw Charter. (Ideally, teachers and children will devise their own Jigsaw Charter at the beginning of the year so that they have ownership of it.)

It needs to include the aspects below:

The Jigsaw Charter

- We take turns to speak
- We use kind and positive words
- We listen to each other

- We have the right to pass
- We only use names when giving compliments or when being positive
- We respect each other's privacy (confidentiality)

Answering Difficult Questions and Sensitive Issues

Staff members are aware that views around RSHE-related issues are varied. However, while personal views are respected, all RSHE issues are taught without bias using Jigsaw. Topics are presented using a variety of views and beliefs so that pupils are able to form their own, informed opinions but also respect that others have the right to a different opinion. Both formal and informal RSHE arising from pupils' questions are answered according to the age and maturity of the pupil(s) concerned. Questions do not have to be answered directly, and can be addressed individually later. The school believes that individual teachers must use their skill and discretion in this area and refer to the Designated Safeguarding Lead if they are concerned.

Jigsaw PSHE supplementary documents needed to explain this policy:

- Jigsaw 3-11 and statutory Relationships and Health Education (mapping document) [jigsaw-3-11-and-rshe-overview-map.pdf \(windows.net\)](#)
- Including and valuing all children. What does Jigsaw teach about LGBT+ relationships? [rshe-a-guide-for-parents-and-carers-leaflet-2020.pdf \(windows.net\)](#)

Relationships Education in Primary schools (Appendix) – DfE Guidance 2019

The focus in primary school should be on teaching the fundamental building blocks and characteristics of positive relationships, with particular reference to friendships, family relationships, and relationships with other children and with adults. The references R3/H5 etc can be cross-referenced on the Jigsaw mapping documents and Puzzle Maps to show which lessons throughout Jigsaw contribute to which statutory outcomes. All statutory outcomes are covered in the Jigsaw 3-11 Programme.

The guidance states that, by the end of primary school:

	Pupils should know...	How Jigsaw provides the solution
Families and people who care for me	• R1 that families are important for children growing up because they can give love, security and stability. • R2 the characteristics of healthy family life, commitment to each other, including in times of difficulty, protection and care for children and other family members, the importance of spending time together and sharing each other's lives. • R3 that others' families, either in school or in the wider world, sometimes look different from their family, but that they should respect those differences and know that other children's families are also characterised by love and care. • R4 that stable, caring relationships, which may be of different types, are at the heart of happy families, and are important for children's security as they grow up. • R5 that marriage represents a formal and legally recognised commitment of two people to each other which is intended to be lifelong (Marriage in England and Wales is available to both opposite sex and same sex couples. The Marriage (Same Sex Couples) Act 2013 extended marriage to same sex couples in England and Wales. The ceremony through which a couple get married may be civil or religious). • R6 how to recognise if family relationships are making them feel unhappy or unsafe, and how to seek help or advice from others if needed	All of these aspects are covered in lessons within the Puzzles • Relationships • Changing Me • Celebrating Difference • Being Me in My World

Caring friendships	• R7 how important friendships are in making us feel happy and secure, and how people choose and make friends • R8 the characteristics of friendships, including mutual respect, truthfulness, trustworthiness, loyalty, kindness, generosity, trust, sharing interests and experiences and support with problems and difficulties • R9 that healthy friendships are positive and welcoming towards others and do not make others feel lonely or excluded • R10 that most friendships have ups and downs, and that these can often be worked through so that the friendship is repaired or even strengthened, and that resorting to violence is never right • R11 how to recognise who to trust and who not to trust, how to judge when a friendship is making them feel unhappy or uncomfortable, managing conflict, how to manage these situations and how to seek help and advice from others, if needed	All of these aspects are covered in lessons within the Puzzles • Being Me in My World • Celebrating Difference • Relationships
Respectful relationships	• R12 the importance of respecting others, even when they are very different from them (for example, physically, in character, personality or backgrounds), or make different choices or have different preferences or beliefs • R13 practical steps they can take in a range of different contexts to improve or support respectful relationships • R14 the conventions of courtesy and manners • R15 the importance of self-respect and how this links to their own happiness • R16 that in school and in wider society they can expect to be treated with respect by others, and that in turn they should show due respect to others, including those in positions of authority • R17 about different types of bullying (including cyberbullying), the impact of bullying, responsibilities of bystanders (primarily reporting bullying to an adult) and how to get help • R18 what a stereotype is, and how stereotypes can be unfair, negative or destructive • R19 the importance of permission-seeking and giving in relationships with friends, peers and adults	All of these aspects are covered in lessons within the Puzzles • Being Me in My World • Celebrating Difference • Dreams and Goals • Healthy Me • Relationships • Changing Me
Online relationships	• R20 that people sometimes behave differently online, including by pretending to be someone they are not. • R21 that the same principles apply to online relationships as to face-to-face relationships, including the importance of respect for others online including when we are anonymous.	All of these aspects are covered in lessons within the Puzzles • Relationships

	• R22 the rules and principles for keeping safe online, how to recognise risks, harmful content and contact, and how to report them. • R23 how to critically consider their online friendships and sources of information including awareness of the risks associated with people they have never met. • R24 how information and data is shared and used online.	• Changing Me • Celebrating Difference
Being safe	• R25 what sorts of boundaries are appropriate in friendships with peers and others (including in a digital context). • R26 about the concept of privacy and the implications of it for both children and adults; including that it is not always right to keep secrets if they relate to being safe. • R27 that each person's body belongs to them, and the differences between appropriate and inappropriate or unsafe physical, and other, contact. • R28 how to respond safely and appropriately to adults they may encounter (in all contexts, including online) whom they do not know. • R29 how to recognise and report feelings of being unsafe or feeling bad about any adult. • R30 how to ask for advice or help for themselves or others, and to keep trying until they are heard, • R31 how to report concerns or abuse, and the vocabulary and confidence needed to do so. • R32 where to get advice e.g. family, school and/or other sources.	All of these aspects are covered in lessons within the Puzzles • Relationships • Changing Me • Celebrating Difference

Physical health and mental well-being education in Primary schools – DfE Guidance

The focus in primary school should be on teaching the characteristics of good physical health and mental wellbeing. Teachers should be clear that mental well-being is a normal part of daily life, in the same way as physical health.

By the end of primary school:

	Pupils should know	How Jigsaw provides the solution
Mental wellbeing	• H1 that mental wellbeing is a normal part of daily life, in the same way as physical health. • H2 that there is a normal range of emotions (e.g. happiness, sadness, anger, fear, surprise, nervousness) and scale of emotions that all humans experience in relation to different experiences and situations. • H3 how to recognise and talk about their emotions, including having a varied vocabulary of words to use when talking about their own and others' feelings. • H4 how to judge whether what they are feeling and how they are behaving is appropriate and proportionate. • H5 the benefits of physical exercise, time outdoors, community participation, voluntary and service-based activity on mental well-being and happiness. • H6 simple self-care techniques, including the importance of rest, time spent with friends and family and the benefits of hobbies and interests. • H7 isolation and loneliness can affect children and that it is very important for children to discuss their feelings with an adult and seek support. • H8 that bullying (including cyberbullying) has a negative and often lasting impact on mental well-being. • H9 where and how to seek support (including recognising the triggers for seeking support), including whom in school they should speak to if they are worried about their own or someone else's mental well-being or ability to control their emotions (including issues arising online).	All of these aspects are covered in lessons within the Puzzles • Healthy Me • Relationships • Changing Me • Celebrating Difference

	• H10 it is common for people to experience mental ill health. For many people who do, the problems can be resolved if the right support is made available, especially if accessed early enough.	
Internet safety and harms	• H11 that for most people the internet is an integral part of life and has many benefits. • H12 about the benefits of rationing time spent online, the risks of excessive time spent on electronic devices and the impact of positive and negative content online on their own and others' mental and physical wellbeing. • H13 how to consider the effect of their online actions on others and knowhow to recognise and display respectful behaviour online and the importance of keeping personal information private. • H14 why social media, some computer games and online gaming, for example, are age restricted. • H15 that the internet can also be a negative place where online abuse, trolling, bullying and harassment can take place, which can have a negative impact on mental health. • H16 how to be a discerning consumer of information online including understanding that information, including that from search engines, is ranked, selected and targeted. • H17 where and how to report concerns and get support with issues online.	All of these aspects are covered in lessons within the Puzzles • Relationships • Healthy Me
Physical health and fitness	• H18 the characteristics and mental and physical benefits of an active lifestyle. • H19 the importance of building regular exercise into daily and weekly routines and how to achieve this; for example, walking or cycling to school, a daily active mile or other forms of regular, vigorous exercise. • H20 the risks associated with an inactive lifestyle (including obesity). • H21 how and when to seek support including which adults to speak to in school if they are worried about their health.	All of these aspects are covered in lessons within the Puzzles • Healthy Me
Healthy eating	• H22 what constitutes a healthy diet (including understanding calories and other nutritional content). • H23 the principles of planning and preparing a range of healthy meals.	All of these aspects are covered in lessons within the Puzzles • Healthy Me

	• H24 the characteristics of a poor diet and risks associated with unhealthy eating (including, for example, obesity and tooth decay) and other behaviours (e.g. the impact of alcohol on diet or health).	
Drugs, alcohol and tobacco	• H25 the facts about legal and illegal harmful substances and associated risks, including smoking, alcohol use and drug-taking	All of these aspects are covered in lessons within the Puzzles • Healthy Me
Health and prevention	• H26 how to recognise early signs of physical illness, such as weight loss, or unexplained changes to the body. • H27 about safe and unsafe exposure to the sun, and how to reduce the risk of sun damage, including skin cancer. • H28 the importance of sufficient good quality sleep for good health and that a lack of sleep can affect weight, mood and ability to learn. • H29 about dental health and the benefits of good oral hygiene and dental flossing, including regular check-ups at the dentist. • H30 about personal hygiene and germs including bacteria, viruses, how they are spread and treated, and the importance of handwashing. • H31 the facts and science relating to immunisation and vaccination	All of these aspects are covered in lessons within the Puzzles • Healthy Me
Basic first aid	• H32 how to make a clear and efficient call to emergency services if necessary. • H33 concepts of basic first-aid, for example dealing with common injuries, including head injuries.	All of these aspects are covered in lessons within the Puzzles • Healthy Me
Changing adolescent body	• H34 key facts about puberty and the changing adolescent body, particularly from age 9 through to age 11, including physical and emotional changes. • H35 about menstrual wellbeing including the key facts about the menstrual cycle.	All of these aspects are covered in lessons within the Puzzles • Changing Me • Healthy Me

End of Guidance Appendix
